CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Don Hillier Takes It Easy These Days

With the coming of July 12th this year a prominent Pahokee resident will celebrate his 75th birthday anniversary. Having lived and enjoyed the fruits and benefits of a wonderful America for three quarters of a century Don Hillier will celebrate his anniversary eight days after Independence Day.

In reminiscing the other day, the popular and recently retired contractor and builder said that in 1917 he built the first concrete ship for the U. S. Shipping Board at Brunswick, Georgia. It was named the Atlantis. Going back five years before that Don remembered that he built the first concrete and steel reinforced building in Washington, D. C. in 1912. It was on the sight of the Statler Hotel today.

Don came to Palm Beach County in 1923 and has erected many modern buildings since that time which stand as monuments to his integrity and building ability. In 1923 he came out to the Glades and built the building now occupied by the Army store and Old Time Bar. When that particular building was erected in 1923 it contained seven stores and the overall cost of construction was \$6,500.00.

Don came to live in the Glades in (continued on page 8)

Funeral Services For G. W. Snyder, 81

G. W. Snyder, 81, died suddenly from a heart attack at his home in Inverness on Saturday of last week. Mr. Snyder was a former resident of Canal Point where he lived and worked with the U. S. Sugar Corporation at Bryant.

Funeral arrangements were made and held in Inverness on Monday of this week with burial in that Citrus county city. Albert Snyder and J. B. Snyder formerly of Pahokee and now of Tampa, are sons of the deceased. Another son, I. M. Snyder lives in Orlando and a sister, Mrs. Estell Fleming in Tampa and another sister, Mrs. Ernest Hughes lives in Inverness. Three other children also survive Mr. Snyder. They are: Cecil Snyder of Chicago, Mrs. Louise Crabtree of Williston and Mrs. Lucille Collins who is stationed in Germany with her husband.

Frank Gillis Is Jaycee President

At the annual election of officers held by the members of the Junior Chamber of Commerce of Pahokee, Frank Gillis, popular teller in the Bank of Pahokee, was elected to the presidency. Milton Salvatore was named first vice president and Hueston Connell was chosen second vice president. Jimmy Shirley was chosen treasurer. The officers will take up their new jobs at an installation ceremony on June 3.

Mrs. M. D. Geiger went to Augusta, Georgia Monday to meet her son-in-law, Capt. Clarence Langford and two grandsons, Reed and Mike. Reed and Mike accompanied Mrs. Geiger home for a visit with their grandparents.

National Corgie Club Branch

A branch of the National Corgie Club has been organized within the Pahokee Garden Club with Mrs. Frank Friend serving as chairman. NCC is conducting a five-week course on corgie making with meetings every Tuesday morning in the social hall of the Pahokee First Methodist Church. Twenty-three members of the Pahokee and Canal Point Garden Clubs have enrolled for the course. Mrs. C. C. Lemonds, Mrs. Ivan Van Horn and Mrs. H. M. McIntosh have taught classes to date.

Scarcity Of Beans Boosts Price \$7.55

When beans are scarce the price goes up. That was the case over the past week end when the price jumped to \$7.55 per bushel hamper. When there is a normal production of beans the price lingers around \$2.00 to \$3.00 per bushel hamper.

To show that beans are really scarce the price on some second picking beans brought \$6.20 and even following a rain when buyers aren't interested in beans under normal circumstances, they brought \$4.80 per bushel.

Celery growers have been taking it on the chin all season and the delicious product is "still in the doghouse" with the buyers. For weeks the product sold from \$1.00 to \$1.25 all depending on the size and grade. This week the price is about the same and growers see no hope for any higher price for the next few days.

Sweet corn has been doing fairly well for the past couple of weeks. The price has held at \$2.25 to \$2.50 according to grade. Farmers "can break out" at that price and are happy that they have been receiving even this much for their product.

Two Councilmen Will Be Elected

This Friday, April 24, is the deadline for candidates to file for the May 5th election in Pahokee when two councilmen will be elected. George Tucker, Jr., president of the Council, and Hugo Boe are the incumbents whose terms of office expire at that time. Both have qualified to seek re-election.

Residents not registered as voters also have until today to register and become eligible to vote in this election, according to City Clerk Fatsy Batchelor.

Linda Hand Voted Sweetheart Of FFA

Miss Linda Hand, daughter of Mr. and Mrs. Lester (Brud) Hand of Pahokee and a member of the Tenth grade at Pahokee High School was elected FFA Sweetheart last Thursday night in the balloting. Three other candidates participated in the FFA contest.

Rev. and Mrs. C. D. Stewart returned to their home Wednesday night from Tampa where they had been attending the Florida Baptist WMU Convention.

Lake Shore Drive Bids Coming Apr. 28

Bids for building a new street on Lake Shore Drive in Canal Point will be received by the State Road Department next Tuesday in Tampa, according to County Commissioner Paul Rardin at whose request the county set aside nearly a sixth of a million dollars for such improvement.

The street will start in front of Mac Barfield's Service Station and run .6 of a mile to the Standard Oil Company bulk plant in the packing house area, Rardin said. It will be built on a 60 foot right-of-way with curb and gutter and sidewalks. It will be one of the finest street improvements to be made in Canal Point during the past quarter of a century and will tend to increase property values in the area to be fronted with the new street improvement.

One of the finest things about construction of the new street will be the complete drainage facilities it will contain, according to engineering details now available. Through the years, following even a small rain, water has stood inches deep in many places on the street with no outlet for drainage. Under the new street plan the water will be drained into manholes and drained under the railroad into the levee drainage job. Another improvement of vital importance to parents of all children in the neighborhood will be sidewalks on each side of the street.

Mr. and Mrs. Jacob Weeks and family of Okeechobee were guests of his parents, Mr. and Mrs. J. G. Weeks Sunday.

Donkey Base Ball Next Wednesday Night

Can donkeys make monkeys out of men? Fun-loving sport fans will have a chance to see at the Donkey Ball Game to be played by the Jaycees and the Rainbow Girls in the City Park on Bacom Point Road Wednesday, April 29, at 8 p. m., featuring the famous Godfrey from Crescent Oaks.

Following the parade through the downtown section of Pahokee, with the players riding the donkeys, there will be an amusing performance by a trick mule before the start of the game.

In the game itself all players except for the pitcher and catcher of the softball are mounted on the

Attend Conference WMU In Tampa

Mrs. E. B. Gamble and Mrs. Wiley Tillis represented the Pahokee Baptist Woman's Missionary Union at the Southern Baptist WMU Conference in Tampa Tuesday. They were accompanied to Tampa by Linda Woolfer, daughter of Mr. and Mrs. R. C. Woolfer of Pahokee, who received the "Queen with the Scepter Award" for outstanding achievement in Baptist Girls' Auxiliary work, being the only girl in the Palm-Lake Association to earn this high honor during the past year.

All New Equipment For Canal Point PO

All new equipment is being installed this week in the Canal Point post office under the direction of Ray Charlton, from the U. S. Post Office department. Mr. Charlton arrived in Canal Point Thursday morning from Roanoke, Va., to take charge of erection of the new equipment which came by freight to Canal Point several days ago.

The equipment is being installed in the present post office which is located in the Rardin Building just north of the bridge in Canal Point. Mr. Charlton pointed out that the new equipment will consist of all new boxes of various sizes, new screen line above and below the tier of boxes, a new service lobby with modern and up-to-date bank style fixtures over which the clerk will attend to the needs of the patrons, a new distribution desk, new sorting table, and many other items that go with a modern and up-to-date post office.

Bolton Drug Store Being Remodeled

By the middle of June Bolton's Rexall Drug Store in Pahokee will have taken on a new look. Mr. and Mrs. John Bolton, owners, said this week that an engineer from Streator, Inc., of Chatham, New York, had recently completed plans for new equipment in the store.

Mr. Bolton pointed out that the soda fountain will remain as is but all new equipment will be added to give the store the 1959 modern look. All of the old wall cases will be replaced with new ones of modern and up-to-date construction. Only two show cases now on the floor will remain after the store is redone on the inside.

The engineer gave the o.k. to the present cigar case which was recently installed but said that a new modern cigarette case will be among the new fixtures. The magazine rack and setup will be changed to another location in the store, according to Mr. Bolton.

The store, already one of the most modern and completely air-conditioned merchandising establishments in the Glades, will take on further up-to-date lines upon completion of installation of the new equipment. Bolton's Rexall Store is the meeting place for hundreds of folks in the Glades who (continued on page 8)

Small Claim Court Is Real Busy Place

Palm Beach County's Small Claim Court is one of the busiest institutions in the county and is actually getting some excellent results for those who are using it. The filing of claims at the Glades Office Building has expedited Small Claims activity in the Glades area.

County Commissioner Paul Rardin sparked a move several months ago to see that claims could be filed at the recently constructed office building located at the intersection of Hooker Highway and State Road 15. Judge F. A. Currie has given Mrs. Mae Pope authority to accept applications in that office and business has been exceptionally good during the month of April.

Commissioner Rardin said that the Palm Beach County delegation in Talahassee is pledged to passage of new law or laws necessary to provide authority to hold Small Claims trials in the new office building in the Glades. This will further provide Glades folks with opportunity not heretofore available. At present they can save one 100 mile trip by filing in the Glades and in the not too distant future they will be able to save another 100 mile trip when trials can be held here, Rardin said.

Chicken Dinner At Park Bldg. April 24

The Church of God Prophecy will have another of their delicious chicken dinners at the Community Building in Canal Point Friday night, April 24th. The serving of the family style dinner will begin at 6:30. Adults \$1.25, Children 50c. Bring the family and enjoy a wonderful dinner.

Intangible Bill Slices Tax In Half

TALLAHASSEE—A public hearing was held yesterday by the Florida House and Senate Committees on Finance and Taxation on a bill to reduce intangible taxes introduced last week by the Palm Beach County Delegation.

The measure was introduced by Sen. Fred O. Dickinson in the Upper Chamber, while Reps. Emmett Roberts and Ralph Blank were joined by 26 other co-introducers in the House.

The bill repeals the increase in intangible taxes and places the law back at the level it held prior to the 1957 session.

Presently the intangible tax level is one-tenth of a mill, compared to the one-twentieth of a mill is held prior to 1957.

Rep. Roberts said the measure is of particular interest to Palm Beach County because of the large number of retirees and pensioners there. He said it "is a major income item to many people in our area, who moved to Florida because we have no income tax at the state level." Roberts said the measure approaches a state income tax in practical effect.

Rep. Roberts introduced 12 House bills during the week, all developed by the appropriations committee of the Legislative Council, of which he was Chairman. The Council's "watchdog" group put the bills in "to improve the efficiency and economy of government," he said.

Two migrant labor bills, one dealing with State Board of Health licensing of migrant camps, a second aimed at halting long-distance transportation abuses, were also introduced by Rep. Roberts.

Several local bills will be introduced this week, the Legislator said.

TEL S. S. Class In Meet At Bryant

The meeting of the TEL Sunday School Class of the Canal Point Baptist Church was held at the home of Mrs. A. B. Tucker at Bryant with Mrs. Jessie Hughes as co-hostess.

Mrs. C. B. Jones gave the devotional. Mrs. J. D. Latham presided at the business session where reports were made by the secretary and group captains.

Refreshments of pound cake and punch was served by the hostesses.

RETURNS TO CANADA

Renee Rose, who has been the guest of her grandparents, Mr. and Mrs. Kenneth Hitchcock, in Pahokee for the past six weeks while her mother, Mrs. V. C. Robin of Toronto, Canada, has been recuperating from surgery, returned to her home in Canada the first of the week. Mr. and Mrs. Hitchcock motored to Tampa where Renee boarded a plane for the trip north.

The University of Miami Marine Laboratory reports more than \$200 million is spent annually on fishing by salt and brackish water anglers in Florida.

Public Relations Men In Jax Meet

JACKSONVILLE — More than 150 members of the Florida Public Relations Association are meeting this weekend in Spring conference with headquarters at the new Robert Meyer Hotel.

A highlight of the weekend meeting is the dedication of the Association's Hall of Fame at the Florida State of Commerce building. The Hall of Fame includes Gov. LeRoy Collins, Agriculture Commissioner Nathan Mayo, railroad builder Henry M. Flagler, circus magnate John Ringling, Cypress Gardens owner Richard D. Pope, Sr., and former Florida publicist, Steve Hannegan.

Mayor Haydon Burns will present and narrate "The Jacksonville Story" to the delegates and a long-distance telephone dialing demonstration will be staged by Southern Bell Telephone & Telegraph Co.

Cancer can no longer be called a "woman's disease." The American Cancer Society says that 53 out of every 100 cancer deaths occur among men.

PORT MAYACA VISITORS

Col. and Mrs. W. E. Evans of Port Mayaca had as guests the past week Col. and Mrs. Sherman Kaiser of Ft. Myers Beach, Col. and Mrs. George Middleton of Ft. Myers and Chicago, also as overnight guests, Col. and Mrs. Embury Lagrew of Ft. Lauderdale and Lexington, Kentucky.

CARD OF THANKS

Dear Friends, we wish to express our heartfelt thanks for the floral offerings and the many, many other expressions of sympathy and kindness you extended to us during the illness and death of our beloved husband and father. God Bless You.

Suwannee Folk Festival May 1-3

WHITE SPRINGS — The banks of Florida's storied Suwannee River will reverberate to colorful story and song of other eras when the seventh annual Florida Folk Festival gets underway, May 1-3, at Stephen Foster Memorial, White Springs.

The annual festival is held on an outdoor stage high atop a bluff overlooking the Suwannee. Performers, singly and in groups, come from all parts of the state, with hundreds of persons scheduled to sing, dance, tell tales, demonstrate folk arts, play unusual musical instruments, or otherwise participate in the seven programs arranged for the three-day festival.

Purpose of the festival is to preserve the traditional folk arts of Florida, the United States and other countries.

About 1,500 participants will be seen during the event with Seminole Indians, old-time fiddlers, whip crackers, tale tellers and many other colorful and talented figures appearing on programs which will also feature large groups of costumed singers and folk dancers.

Three shows daily will be held on Friday and Saturday, May 1 and 2 and a concluding program Sunday afternoon, May 3.

Industrial Growth In State Continues

TALLAHASSEE — The Florida Development Commission says the state's industrial growth continued at a rapid clip during 1958 in spite of the national recession. The commission said that new plants or major expansions in Florida totaled 700, and when all are in full production will have a total employment of 23,000.

In its annual report on manufacturing progress, the commission said the effects of the recession were felt principally in the first part of 1958. Later in the year there was a pickup in industrial expansion and the recovery continued on into 1959.

The commission said there was an 18 per cent drop from 1957 in number of plants established last year, but a sag of only 10 per cent in the number of employees.

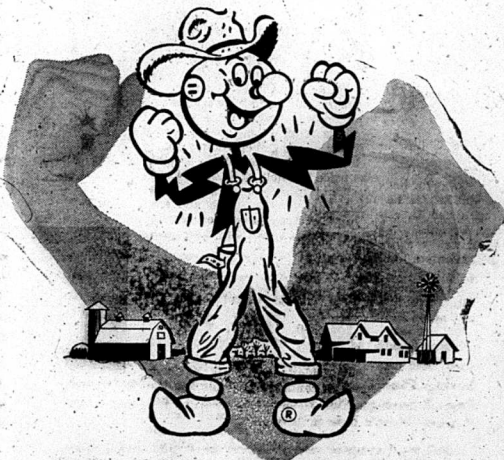

Express Rate Goes Up 15 Percent

TALLAHASSEE — The Florida Railroad and Public Utilities Commission has issued orders authorizing The Railway Express Agency to increase its rates by 15 per cent. Florida railroads were also granted a two per cent boost in rates.

The increases, which apply within the state, correspond with increases granted earlier by the Interstate Commerce Commission for shipments between states. Several commodities were excluded, however, from the rate hikes.

Major railroads in Florida coming under the rate increase include Seaboard Air Line, Atlantic Coast Line and Florida East Coast railroad.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,950.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Christian Science Group Of Canal Point

The ever-present light of the Christ, Truth, will be stressed at Christian Science services Sunday. Keynoting the Lesson-Sermon entitled "Probation After Death," is the Golden Text from Isaiah (9:2): "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light-shined."

The power of this light is also brought out in selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (215:12): "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life."

Included in the Bible passages to be read is this verse from Matthew (5:16): Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Educational TV Wanted Jr. Colleges

ST. PETERSBURG — The Florida Educational Television Commission has voted to ask the Legislature for \$375,000 to produce and record on video tapes 12 junior college and university-level courses.

The commission decided to seek the tape recording facilities after being informed that legislative appropriations committees do not look favorably on a request for \$900,000 to construct microwave connections over which to transmit ETV courses.

Commission vice chairman Stan Witwer said Florida's four ETV stations, at Miami, Tampa, Gainesville and Jacksonville, and a fifth to be opened at Tallahassee, late this year, could telecast the videotaped programs to most state-supported junior colleges and all of its universities. This, he pointed out, would make up for the absence of microwave facilities.

The trouble with too many people is that the only thought they have is that they have to say something.

Five Circles WSCS Finish Church Year

The five circles of the Pahokee Methodist Woman's Society of Christian Service held their last separate meetings of the current church year at homes of members Monday. It was announced that on May 18 the circles will meet jointly at the church to draw names for the reshuffling of circle membership for the new church year which starts June 1.

At the meeting of the Mabel Simmonson Circle at the home of Mrs. C. A. Major the circle chairman, Mrs. Frank Friend, named Mrs. L. B. Wilson, Mrs. M. P. Holman, Mrs. G. W. Byrd, Mrs. Ronald Watson, Mrs. J. D. Rogers and herself on the committee in charge of floral decorations for the church through May Mrs. G. W. Byrd, program chairman, presented a program of "Christianity Confronts the Japanese Family." Mrs. M. P. Holman gave the devotionals.

Mrs. James Moore, chairman, presided at the meeting of the Miriam Circle which was held at the home of Mrs. G. H. Tucker, Jr., Mrs. James W. Vann and Mrs. James G. Thomas, Jr. were co-hostesses at the meeting of the Gertrude Shirley Circle held at the home of Mrs. Vann, with Mrs. Ruth V. Meredith, chairman, presiding at the business session. Mrs. N. R. Lemonds was hostess to members of the Mary Martha Circle at the meeting at her home which was held at 10 a. m., with the chairman Mrs. J. M. Elliott, presiding at the business session. The Margery Lair Circle met in the afternoon at the home of Mrs. Duncan Padgett, WSCS president, with Mrs. Ralph Stanley, circle chairman, presiding.

Garden Club Talks Of Plans For Park

The possible development of the triangular strip of land lying east of the Barad building between the new and old SR 700 as a park was discussed by members of the Canal Point Garden Club at the April meeting held in the Community Building with Mrs. Duke Tucker, president, presiding.

Following the business session, a workshop was conducted in which native dried materials were used in making decorative arrangements and corsages for the new officers of the Canal Point Parent-Teacher Association at the annual installation the night of May 4.

Mrs. W. S. Evans and Mrs. J. L. McCall were hostesses at the meeting. It was announced Mrs. C. G. Coburn and Mrs. M. C. Carter will be hostesses at the May meeting to be held at 3 p. m., May 14.

Victory Class In Dinner Party

The Victory Class of the Pahokee Methodist Church School held a dinner party in the social hall of the church Friday night with teachers of the school attending as guests. The committee in charge of arrangements included Mrs. Lewis Friend, chairman; Mrs. E. J. Graham and Mrs. J. T. Boynton. They were assisted by Mrs. Robert Hutton, Mrs. Leo Maxwell, Mrs. J. G. Thomas, Jr., Mrs. James W. Vann, Mrs. Ernest Maxwell, Mrs. Louis Davis, Mrs. C. M. Todd and Mrs. Duncan Padgett.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,948.95 cash. In 9 years, 8 months, you'll have \$7,517.50!

So don't let down payments get you down. Meet your needs thoroughly cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest at current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Garden Club Has April Meeting

The Pahokee Garden Club at the April meeting held at the home of Mrs. William S. Plummer Tuesday morning, voted to sponsor a circle for young matrons or beginners in gardening. The circle, advantages of which were explained to the club members by Mrs. Edgar Wilder, will be organized at the start of the fall season.

Mrs. J. T. Platt, president, called upon officers and committee chairmen for reports of activities and achievements for the past year. Six of the 51 members of the club, Mrs. Frank Friend, Mrs. Norman Kennedy, Mrs. Ruth Meredith, Mrs. L. L. Shirley, Mrs. C. L. Shirley and Mrs. R. B. Simonson, were given special recognition for 100 per cent attendance to meetings during the past year.

Reports on the Jacksonville convention of the State Federation of Garden Clubs were given by Mrs. Norman Kennedy and Mrs. Curtis Chase, official delegates.

Mrs. Kennedy, as program chairman, introduced John Causey, assistant County agricultural agent, who spoke on "Native Plants and Shrubs for Home Plantings" and answered questions from the audience.

Hostesses assisting Mrs. Plummer, Mrs. Marty Carstens, Mrs. C. R. Wroten and Mrs. Sam Humphreys. Mrs. Alex Ramsey was introduced as a guest.

Lion Of The Year Chosen By Ballot

Pahokee Lions at their Tuesday luncheon meeting voted by secret ballot to select the club's "Lion of the Year" whose name will be revealed next month during a special ceremony in which the "Lion of the Year" will be presented with the Ralph Stanley Memorial Award in the form of a plaque.

Plans were made for the annual election of club officers which will take place at the April 28th luncheon. Installation will follow at the May 5th luncheon, with James Harry Wilkinson, Jr., zone chairman and past president of the club, to serve as installing officer.

D. B. Mathis, program chairman, introduced as guest speaker Robert Fisher, manager of the Pahokee Coca-Cola Bottling Company, who told about the history of Coca-Cola which was originated more than 80 years ago.

FELLOWSHIP PARTY

Mr. and Mrs. J. P. Parker entertained at their home with an outdoor party and wiener roast for members of the Canal Point Methodist Youth Fellowship group. W. E. Johnson, adult counselor for MYF, was also a guest.

In commenting on the new equipment Mr. Bolton said, "We are making an effort to keep step with the times in installing this very latest equipment to serve our many friends and patrons. We know that the folks who patronize our store will greatly appreciate all of the modern conveniences to be offered them when our store is completely renovated and refurbished. At this time we would like to thank the thousands of folks who make our Rexall store their headquarters here in the Glades when making their drug and sundry purchases."

Circle Program Under Mrs. Nall

Mrs. Alma Nall presented a program, "Honoring the Lord's Day," at the April meeting of the Hannah Scoggins—Annie Jones Circle of the Canal Point Baptist Woman's Missionary Society held at the home of Mrs. R. J. Maxson, with Mrs. Nall, as circle chairman, also presiding at the business session. Assisting with the program were Mrs. Charles Maxson, Mrs. J. S. Atkins and Mrs. A. T. Holt. Mrs. Charles D. Stewart, WMS president, was present at the meeting to report on the quarterly Palm-Lake WMU meeting which she attended in Lake Worth. She distributed copies of the WMU by-laws to those present. It was announced Mrs. A. T. Holt will be hostess at the next meeting at her home the evening of May 21.

Don Hillier Takes—

1935 at Pahokee and built many outstanding structures in the area. Among them the auditorium addition of the Canal Point school, the first elementary school in Pahokee, the addition to the High School and the new auditorium at Pahokee, Belle Glade High School, the new Belle Glade High School, and the addition at South Bay School.

Among other buildings erected in Pahokee by Don was the Bank of Pahokee, the Sanders building, the Prince Theatre and the City Hall and Jail.

In Belle Glade some of the buildings erected by Don were: the Collins-Badcock Furniture Store, the Hugo Theatre, the City Hall, the Glades Chevrolet place, and Clarence Bailey's Real Estate office.

A few years ago Mr. and Mrs. Hillier erected one of the finest and most modern motels in Palm Beach county—The Grassy Waters. They operated this until a few months ago when they leased it to Clarence Culpepper of North Carolina—who is doing a splendid job of running it now. Due to impaired eye sight Mr. Hillier was forced to leave the construction business and has retired from operation of the Grassy Waters and is taking it easy. Mrs. Hillier is president of the Pahokee Chamber of Commerce and is doing an alert and outstanding job at the head of that institution.

Son And Daughter Of Former Pastor

JACK SLAWSON

CHRISTINE SLAWSON

Many years ago in 1941-1942 Canal Point Methodists had a pastor by the name of Rev. Merritt Slawson. He left Canal Point to join up with Uncle Sam in 1942 and became one of the outstanding Chaplains in the service. Today he is stationed at Kelley Air Force Base, Box 186, Building 60, San Antonio, Texas. Shown above are the two children of the Slawsons. On the left is Jack and also shown is his sister, Christine. Jack was born in Canal Point and Christine was born after they left here. Rev. Slawson served in many parts of the world since entering the service and is now Col. Merritt Slawson. He left Canal Point in 1942.

Loyalty Dinners Local Methodists

Members of the Pahokee First Methodist Church held loyalty dinners in the social hall of the church Tuesday and Wednesday evenings with Mrs. Robert Apeilgren and Mrs. Edward A. Jensen in charge of arrangements.

The dinners, at which the church budget was explained to members, were preliminary to the Every-Member Canvass which church officials have undertaken to secure pledges for the church budget and the building fund for the completion of the new educational hall. Sunday, May 10, will mark the end of the canvass. On that day 32 two-man teams, directed by Ralph Johnson, will complete the securing of pledges from the membership.
